Next Date for Review:	February 2018

AAT Jewellery Policy

AAT Policy in line with the East Sussex Health & Safety Policy, states that **no child** (boy or girl) should wear jewellery in school. We do not allow hooped earrings, necklaces, nose studs, bracelets and rings. We are, however, prepared to accept ear studs, although we do recommend that they are taken out for P.E., swimming and games.

We do not allow visible tattoos, nail varnish or coloured hair in school. We also do not allow 'extreme' haircuts, e.g. tram lines, shapes, etc. These are not part of the school uniform. The headteacher/head of school will decide what is appropriate. Our policy has been agreed in the interests of our children, so please support us in our aim to keep your child/children safe in school.
